The Pursuit of Excellence

PKY TRUCK BEAUTY CHAMPIONSHIP 2013

We hope you are enjoying this year's Paul K. Young Truck Beauty Championship, the Mid-America Trucking Show, and all that these two great events have to offer.

We are delighted to present this 2nd Annual PKY Championship Report. No other Class 8 truck beauty show in the country produces such a real-time publication, which makes the PKY Championship Report a unique collector's item for those receiving a copy.

Over its 24-year history, the PKY Truck Beauty Championship has grown to become the premier Class 8 truck beauty show in the country, largely due to the dedicated truck owners, outstanding sponsor support, and thousands of truck-savvy, picture-taking show attendees. The PKY Staff thanks everyone for making our job so rewarding.

Congratulations to all of this year's PKY competitors. We are honored by all that you do to enhance the trucking industry's image. We hope you enjoy this report and look forward to seeing everyone back at next year's show, March 27-29, 2014.
